## *Continuous Improvement through Lean 5S*

Continuous improvement is an ongoing effort to improve products, services or processes. Lean 5S is a five level standard for organizing the workplace that when properly implemented can lead to powerful results.

If interested in learning how Lean 5S can be used to reduce waste, flow value to your customers and keep costs and delivery times under control, then you will benefit from attending this session.

Grenfell Heritage Hotel & Suites  
St. Anthony  
Thursday, November 24, 2011  
9:00 am - 1:30 pm

This initiative is coordinated by the Department of Innovation, Business and Rural Development in partnership with Atlantic Canada Opportunities Agency and Canadian Manufacturers & Exporters, and will include an open forum as well as a networking lunch.
